Skills

HTML

CSS

Language

English (Advanced)

Kinyarwanda (Advanced)

French (Advanced)

Swahili (Intermediate)

Hobbies

I like to have personal growth-fueling conversations, fostering tech connections and enthusiastic coding, and I also love having time with myself to think and grow in various areas of my life

Professional Summary

Talented software developer with 2+ years of coding experience and expertise project planning. Successfully monitors and controls all phases of the development process, design, construction, and testing. Works collaboratively within multi-functional teams to identify and resolve bugs and functionality issues. Strong technical analysis and quality assurance skills.

Experience

Web programming with python and javascript

HarvardX course

July 2024

In this bootcamp we dived more deeply into the design and implementation of web apps with Python, JavaScript, and SQL using frameworks like Django, React, and Bootstrap.

Front-End Web development

Andela

Aug 2023

I was engaged in an intensive training program to develop proficiency in various programming languages, including HTML, CSS and JavaScript, with a lot of projects to work on, which helped me to boost my coding skills.

Education

Information Management

Adventist University of Central Africa, Kigali, Rwanda

Expected December 2025
